HEALTH CARE FOUNDATION

RECENT PAST PROJECTS

The MCHC Foundation highlights include purchasing an IV fluid/blanket warmer for the Emergency Services team, surgery lights for the Surgery team, treadmills for Physical Therapy/Cardiac Rehab teams; providing scholarship opportunities for Albia Community School District, Eddyville/Blakesburg Community School District and Moravia Community School District; and sponsorship of fundraising events throughout the community.

A large success for our community's wellness was shepherding the application of a Wellmark Foundation grant which resulted in a \$100,000 grant for the Albia Trails Project. This was a remarkable win for our community!
