

Dear Community Member,

The holiday season of giving is upon us. We would like to take this opportunity to thank all our donors and supporters. The Foundation continues to make strides towards bettering our community and providing monetary support towards equipment purchases to advance personalized patient care at Monroe County Hospital & Clinics (MCHC).

Did you hear about our recent Glow Ball Tournament on October 1? The event was a hit, taking place at the Albia Golf & Country Club. There was an amazing turnout, remarkable sponsors, scrumptious food from Rib Shack, and sensational donors. A memorable time was had by all who participated! Watch for a save-the-date for 2023! Email or phone us right away if interested, because teams filled up fast for this year's event and you don't want to miss out!

The Foundation has chosen to support MCHC with all donations received from this appeal. The Foundation focus will be to provide Dr. Gansen with a podiatry exam chair. This specialty medical exam chair costs approximately \$7000. We are determined to reach this goal!

Recent donations have provided:

- ✓ An IV fluid/blanket warmer for the Emergency Services team
- ✓ Treadmills for the Physical Therapy team
- ✓ Procedure lights for the Surgery team
- ✓ Scholarships to students of Albia, Moravia and Eddyville-Blakesburg-Fremont community school districts

In addition, the Foundation was the liaison for a \$100,000 grant for the Albia Trails committee and much more!

We are proud to assist in providing essential pieces of equipment to MCHC. Please help us support these needs financially.

The Monroe County Health Care Foundation is a 501(c)3 non-profit organization.
